

IGA SUPERMARKET - WESTBURY

The largest private commercial development in Westbury was the new IGA Supermarket. GLB Constructions were honoured to be selected to construct the new 1500m2 purpose built facility and develop the 7,820m2 site. The building includes new loading dock, freezer room, multiple cool rooms, offices, staff facilities, deli and main trading floor. The site also includes an equipment plant area, loading ramp, grassed area and 60 space car park.
